"I feel so empowered. I feel good about who I am because I am now speaking from the TRUTH of who I am. I don't have to cover-up, blame, make wrong or practice other unhealthy ways of communicating and behaviours which I used in the past. Thank you for sharing the gift of NVC with me and being in my life." - Maria M, Sydney

'Kate, I have been drinking in every moment with you. I find such ease in learning from your use of words, metaphor, illustration + humour and your fluency with the heart of this. Compassionate, empathic listening for teaching' If you do this workshop, you will gain more than I hope to describe. Trust this will enrich your life.'
